The journal is supported by the **International Association of Hotel Management Schools** whose primary aim is to advance knowledge in the field of education for hotel management and related subjects. Current membership is derived from colleges in eight European countries and it is anticipated that countries outside Europe will be represented as the Association develops. Membership is derived only from institutions offering courses at the highest level in the country concerned.

Annual Subscription Rates (1984)

Published four times per annum. For libraries, research establishments, industrial and all other multiple-reader institutions: US$75.00 per annum (including postage and insurance). Two-year rate (1983/84): US$142.50.

Specially reduced rates to individuals: In the interests of maximising the dissemination of this important international journal we have established a two-tier price structure. Any individual whose library takes out a library subscription may purchase a second or additional subscriptions for their personal use at a much reduced rate of US$25.00.
